Church Sponsorship Program

“If theological education will increase your power for Christ, is it not your duty to gain that added power?... Never say you are losing time by going to school. You are saving time, buying it up for the future and storing it away. Time used in storing power is not lost.” -

A. T. Robertson

Dear Pastor,

My name is Andy Deane and I am the Director at Calvary Chapel Bible College in Murrieta, CA. I am writing to share with you about our *Church Sponsorship Program*. Our hope is that your church will choose a member from your youth group, church or school to sponsor to attend CCBC in exchange for that student interning at your church during each of the semester breaks, and up to one year after they graduate.

The consistent internship in between semesters is what is key to this program's success. Without this connection it is understandable that churches would be reluctant to sponsor a student to head to California for fear that person they've invested in would not return to their home church after graduation. With this internship the student will have a chance to apply what they've been learning back at their home church between semesters. Students who are plugged in and have staff relationships at their home churches are more likely to want to return there to serve after graduation.

Each semester we see the Lord change the lives of the students as they seek Him in His Word. The number one reason we are given for why students do not return to CCBC is a lack of finances. Many students would love to continue their education but do not get enough employment during breaks to cover the subsequent semester's cost. We hope that you will pray about partnering with a student as they study the Word at Bible college.

THE STUDENT RECEIVES:

- Full tuition (\$3,700) or partial tuition (\$1,900) covered by the church for each semester agreed upon.
- An internship each semester break at their home church to practically apply what they learn at CCBC.

THE CHURCH GAINS:

- 20 hours / week unpaid internship for up to 2 summer and 2 winter breaks.
- Access to the student's grades each semester, upon request, to make sure they are being diligent in their studies.
- Access to a CCBC staff member, to discuss the behavioral status of the student, upon request.
- An optional paid internship after graduation for 3-12 months.

INTERNSHIP STRUCTURE:

- Please research your state's laws concerning non-profit unpaid internships to make sure it is compliant with local laws such as issuing a 1099-MISC form to the student to report the tuition payment that was made on their behalf.
- Contact us for ideas for implementing a mutually beneficial internship program at your church.

WHAT'S IN THIS PACKET:

- Church Sponsorship Program Agreement (the church and the student will sign this form).
- Implementation Info (all the information you need to execute this program effectively).
- Academic Release Form (CCBC needs this form signed for us to release grades/behavior status to you upon request).
- The Semester Schedule (see what classes will be available for your sponsored student).

This program is available at CCBC Murrieta only. Please contact us if you have any questions.

God Bless,
Andy Deane
