Graduation Worksheet

The Diploma in Biblical Studies is a two-year, 72-credit, college-level program that trains students to know God and equips them to serve Him. The Associate of Biblical Studies and Bachelor of Biblical Studies degrees require specific General Studies courses to be earned through CCBC or transferred from a separate, accredited college (minimum of 18 cr. for Associate's, 36 cr. for Bachelor's). Technical, non-academic, and vocational courses are not acceptable for transfer, nor are courses that are below college level (such as remedial community college courses).

Proof of high school completion is required for admission. **The Certificate of Completion follows the same 2-year course of study as the Diploma and is intended for students who have not completed high school or have learning difficulties. See Registrar's Office for details.*
