The Essentials Certificate in Biblical studies (E.C.B.S.) program is designed for gap-year students and those who are not sure if their goal is to complete a Bible college degree, this one-year program aims to strengthen students in their faith and character, preparing them for life in the world or further study. All credits count toward associate and bachelor programs for students who choose to continue their studies with CCBC. Credits may also be transferable to other schools. Proof of high school completion is required for admission.

Note: This program is also available as a non-credit, pass/fail option for students who want to attend classes but are not prepared for college-level academic work.
